### July-December 2009

MOUNT CARMEL

A MEMBER OF TRINITY HEALTH

American Heart Association Classes presented by  
Mount Carmel Health System (MCHS)

### Advanced Cardiac Life Support (ACLS)

*Advanced Cardiac Life Support courses teach physicians, nurses, respiratory therapists, pharmacists, and paramedic personnel how to apply current American Heart Association (AHA) guidelines for the delivery of emergency cardiopulmonary care.*

#### ACLS for Less Experienced Personnel is a 1½ -day course, and you must attend both days.

ACLS for the Less Experienced Personnel course is designed for Health Care providers who have never attended an ACLS provider course OR are not comfortable with the ACLS content and skills, OR have an expired card.

**Prerequisite:** Prior attendance at a Basic EKG course. You must have a current BLS (CPR-Health provider) card. Bring this card with you to the course. Your success in this course depends on your commitment to studying the material prior to the course. No handout materials will be given. It is expected that you will obtain a book, complete the precourse and self-assessment that is on the CD.

**Fee:** Physicians and dentists \$200.00; Residents and Medical students \$150.00  
Non Mount Carmel employees, Nurses, Nurse Practitioner and Physician Assistants \$100.00  
Mount Carmel employees \$15.00 (If not required on your unit)  
There is no charge if required for your job at MCHS

**Required Course Materials:** (in addition to the class fee) manual \$30.00 (there is a CD that comes with the purchase of the book and this is the only study material available), Handbook \$15.00;  
These American Heart Association (AHA) books are available for sale; Please contact 614-546-3474 for more information.

**ACLS for Less Experienced Personnel** *must attend both sessions 9:00-4:00 pm on the first day & 9:00-1pm on the second day*

**E-ACLS: Skills for Megacode Testing**

The E-Learning program for ACLS is available to non-expired ACLS card holders through the American Heart Association (AHA) website ([www.americanheart.org/cpr](http://www.americanheart.org/cpr); the cost is \$99). This self directed ACLS program provides an alternative training for the busy professional and is self-paced. Successful completion results in a certificate that needs to be taken to an authorized AHA training center for skills validation. The fee for skills validation is \$50.00. Note a Basic Life Support (CPR) Health Care Provider card is also required and should be brought to the skills check off. **Once you have completed the e-learning and obtained a certificate, you need to call Nelda Scriven at 614-546-3474 to schedule the specific date you are coming to complete your skills check off.**

**LOCATION OF COURSES**

**Mount Carmel Health System  
 Corporate Services Center  
 6150 E. Broad Street - Columbus  
 4th floor conference room**

**Mount Carmel Health System is an AHA  
 ACLS/BLS Training Center**

The American Heart Association (AHA) strongly promotes knowledge and proficiency in Advanced Cardiac Life support and has developed instructional Materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the AHA. Any fees charged for such course, except for a portion of fees needed for AHA course materials do not represent income to the AHA.

**Cancellations:**

The fee will be refunded if written notice of cancellation is received 14 days prior to the start of the course. A \$25 processing fee will be charged. No refunds will be issued for textbooks. Participants who request to be moved to another course date after receiving materials will be charged a \$10 processing fee. If the participant does not complete the course; the next class may be taken at no charge. No refund will be given. If you have questions please call 614-546-3474.
