Bariatric Surgery Educational Forum

If you're interested in pursuing bariatric surgery as a weight-loss solution, take the first step by attending this free and informative educational forum. You'll learn more about obesity, nutrition, the surgical treatments available at Mount Carmel and working with your insurance carrier to make it happen. You'll also be able to talk with our surgeons and members of our specialized bariatric program team to see if surgery is the right solution for you. Call 614-234-LIFE to register.
