## Childbirth Education Classes, 2010

Thank you for considering childbirth education and parenting classes through the *Little Miracles* maternity program at Mount Carmel West. Our classes are designed to help you and your partner welcome this special time in your life strengthened by a foundation of knowledge, confidence and love. Because at Mount Carmel, having a baby is more than a procedure...it's a *miracle*.

Classes are also offered at Mount Carmel East and Mount Carmel St. Ann's. If you don't see what you need here, call 614-898-MOMS (6667) for more information. *Register early to get your first choice of dates, times and locations.*

### Labor and Birth Deluxe \$80/couple

This comprehensive labor and birth preparation series features instruction in techniques for promoting a satisfying birth experience. The small class size allows time to focus on relaxation and coping techniques with weekly practice of skills such as massage, positioning, visual imagery and breathing techniques. Content includes what to expect during labor, comfort strategies for coping with labor including medications and epidurals, and guidance for making informed decisions about medical procedures. Facilitated by the instructor, your labor partner will help you identify and practice coping preferences and techniques. *A guided tour of the maternity unit is included.*

#### Four-Week Series

Sundays, 3 - 6 p.m.

#### Begins

March 7  
September 26

#### Ends

March 28  
October 17

### Express Labor and Birth \$85/couple

This class provides the basics of labor and birth preparation. Instruction focuses on essential information for mother and her birth partner, including what to expect during labor and birth, techniques for coping with labor discomforts, medications and epidurals, and medical interventions. Breathing, relaxation and comfort strategies are discussed, and written instructions are provided for at-home practice. *A guided tour of the maternity unit is included.*

#### Two-Day (Weekend) Class

Friday, 6 - 9:30 p.m. and Saturday, 9 a.m. - 12:30 p.m.

#### Dates

February 12, 13      June 25, 26

### Labor and Delivery Rehearsal Tour Free

This free one-hour tour should be taken four weeks before your due date so you'll know what to do when the big day arrives. You'll get an overview of what to do when you come to the hospital — where to park, where to go and what to expect during your delivery. Space is limited. **Rehearsal tours are suggested if couples are NOT participating in a Mount Carmel West Labor and Birth class.** *Call 614-898-MOMS for dates and times, and to register.*

### HypnoBirthing® \$135/couple

This class is designed for self-motivated individuals who wish to use self-hypnosis relaxation techniques during labor. Daily practice at home is required. HypnoBirthing® book and tapes are included. *Maternity tour is not included with this class. This class is offered at Mount Carmel St. Ann's only. Call 614-898-MOMS for dates and times, and to register.*

### Breastfeeding Basics \$35/couple

This one-day class is designed for expectant mothers who have chosen or are considering breastfeeding. We encourage your support person to attend class with you. Class topics include the benefits of breastfeeding for baby and mother, physiology of milk production, tips for preparation before delivery, nursing techniques, tips for Mom's support person to aid her success and sources of support and help after delivery. *Register to take this class early in your last three months of pregnancy.*

Thursday, 6:30 - 9 p.m.

#### Dates

February 25	March 25	April 22
June 24	July 22	August 19
October 28	December 16	

### Breastfeeding Support Group Free

The time following the birth of your baby is a joyous one, with new experiences for everyone involved. For you, one of those new experiences may be breastfeeding. And while breastfeeding provides many benefits for both you and your baby, it can be challenging. Please join us and our certified lactation consultant as she offers you a chance to learn, ask questions, get good advice and share your experience with other moms in a private, nurturing environment. Babies are welcome! *This support group is only offered at Mount Carmel St. Ann's.*

Every Wednesday, 10 - 11 a.m.

**CPR Heartsaver — \$45**  
**Adult/Child and Infant**

The Heartsaver CPR course is designed to teach CPR and foreign-body airway obstruction (FBAO) to all lay rescuers, particularly those who are expected to respond to emergencies in the workplace or required to obtain a course completion card. The course includes a videotaped presentation of the Chain of Survival, proper CPR technique and warning signs of cardiovascular emergencies, as well as instructor-led discussion to reinforce signs of heart attack, cardiac arrest, stroke and choking. Participants will need to demonstrate competency in the CPR skills before a completion card is issued.

*Call 614-898-MOMS for dates and times, and to register. Classes are offered at Mount Carmel East and Mount Carmel St. Ann's only.*

---

**CPR: Family and Friends — Infant Only \$25**

This course provides video instruction on CPR and foreign body airway obstruction relief for infants who are between the ages of birth and 1 year. Participants will practice and demonstrate the skills during the course and receive a participation card upon completion. *Call 614-898-MOMS for dates and times, and to register. Classes are offered at Mount Carmel East and Mount Carmel St. Ann's only.*

---

**CPR: Family and Friends — \$40**  
**Adult/Child and Infant**

Designed for laypersons who want to learn rescue skills for loved ones, this course is an appropriate level of training for school-age children and family members who want to learn and be prepared to administer CPR and choking relief during an emergency situation. Participants will practice and demonstrate these skills during the course and receive a participation card upon completion. *Call 614-898-MOMS for dates and times, and to register. Classes are offered at Mount Carmel St. Ann's only.*

Mount Carmel is a provider of American Heart Association (AHA) CPR courses. The AHA strongly promotes knowledge and proficiency in BLS, ACLS, and PALS, and has developed instructional materials for this purpose. Use of these materials in an education course does not represent sponsorship by the AHA; and fees charged do not represent income to the AHA.
