

When you need to have blood drawn for lab testing, you want to be sure those tests are performed by a team of expert professionals – like the ones you'll find at Mount Carmel. Our highly experienced laboratory staff utilizes the latest medical technology to ensure trustworthy, timely results.

Our labs are accredited and certified by the College of American Pathologists and Clinical Laboratory Improvement Amendments and exceed patient safety and privacy standards set by the Joint Commission. They're also conveniently located and accept most major insurances.

All our lab facilities accept walk-ins, but Glucose Tolerance Test (GTT) requires an appointment.

For more information or to schedule a GTT, call 614-234-LABS (5227).

Create Your MyChart Account

Our new electronic health record, Epic, allows you to access information about the care you receive at any Mount Carmel facility or Mount Carmel Medical Group office in one patient portal called MyChart.
